Dear Ms. Echevarria:

Thank you for your letter recommending Judge Julio M. Fuentes to the United States District Court for the District of New Jersey. Judge Fuentes has been in contact with my office to express his interest in this position.

I am committed to ensuring that federal judgeship nominations represent the highest quality of individuals in the legal profession and a cross-section of the American people. At this time, Senator Lautenberg and I are reviewing qualified candidates to fill vacancies on the federal bench in New Jersey. I will be sure to keep your favorable recommendation of Julio Fuentes in mind as the appointments process proceeds.

Again, thank you for writing. I appreciated hearing from you.

Sincerely,

Bill Bradley
United States Senator
